ORDER

(Date: 3rd February, 2026)

1. This appeal is filed under Sec. 10 of Madhya Pradesh Niji Vyavasayik Shikshan Sanstha (Pravesh Ka Viniyaman Avam Shulk ka Nirdharan), Adhiniyam, 2007 (hereinafter referred to as “Act of 2007”) against the order passed by the Admission and Fee Regulatory Committee (AFRC for short) dated 06/06/2025, whereby the fee for the appellant institute was fixed at Rs. 14,000/- per student per semester for Diploma (3 Year) course being run by it, for academic sessions 2025-26, 2026-27 and 2027-28.
2. It is submitted on behalf of the appellant that he had proposed fee at Rs. 34,000/- per student per year (Rs. 17,000/- per student per semester). He uploaded audited balance sheet for the F.Y. 2023-24. He was unable to upload audited balance sheet for the F.Y. 2024-25, because audit was under process. However, he had filed the aforesaid balance sheet along with the appeal. It is submitted that the AFRC has calculated fee on the basis of audited balance sheet for the F.Y. 2023-24 and regulated fee only at Rs. 14,000/- per student per semester only, which is very low and due to this, the appellant is unable to run the institution properly. It is, therefore, prayed that the fee may be enhanced accordingly.

3. On the other hand, the respondent submitted that as per calculation of its Chartered Accountant, fee comes to Rs. 21,000/- per student per year, but in this situation, the fee was regulated on the basis of 'minimum fee', which is Rs. 14,000/- per student per semester (Rs. 28,000/- per student per year) and which is more than the calculation done by the Chartered Accountant. The appellant had filed the balance sheet for the F.Y. 2024-25 in this appeal and Chartered Accountant of the respondent calculated the fee on the basis of balance sheet.
4. The Chartered Accountant of AFRC is also present. It is submitted by the Chartered Accountant that on the basis of calculation based upon balance sheet for the F.Y. 2024-25 filed by the appellant fee comes only Rs. 14,500/- per student per year.
5. I have heard both the parties. Perused the record.
6. After considering all the facts and circumstances of the matter, it is apparent that after calculating fee on the basis of audited balance sheet of the appellant for the F.Y. 2024-25, fee comes to Rs. 14,500/- per student per year, but the AFRC has regulated the fee at Rs. 14,000/- per student per semester (Rs. 28,000/- per student per year), which is much more than the calculated amount of fee. Therefore, it appears that the respondent has not committed any error in regulating the fee of the course. Therefore, the impugned order is not intereferable. Hence, appeal is liable to be dismissed.

Accordingly, the impugned order passed by AFRC is hereby affirmed and appeal is dismissed.
