**ORDER  
(Date: 3<sup>rd</sup> February, 2026)**

1. This appeal is filed under Sec. 10 of Madhya Pradesh Niji Vyavasayik Shikshan Sanstha (Pravesh Ka Viniyaman Avam Shulk ka Nirdharan), Adhiniyam, 2007 (hereinafter referred to as “Act of 2007”) against the order passed by the Admission and Fee Regulatory Committee (AFRC for short) dated 02/07/2025, whereby the fee for the appellant institute was regulated at Rs. 25,000/- per student per semester for B.B.A. course being run by it, for academic session 2025-26.
2. It is submitted on behalf of the appellant that he has no objection, as calculation of fee carried out by the respondent, but it is further submitted that as per recommendations given by All India Council for Technical Education (AICTE) the minimum and maximum fee for PG Management course should be between Rs. 85,000/- per student per year to Rs. 1,95,200/-. However, there is no minimum and maximum fee has been recommended for the present course i.e. B.B.A. in AICTE recommendations. It is further submitted by the appellant that University Grants Commission (UGC) vide its Public Notice No. F.No. 1-1/2024(DEB-I), dated 23<sup>rd</sup> January, 2024 announced that minimum fee of PG courses/program (MCA/MBA) will be applicable for the academic session 2024-25 for present course and

according to the appellant it is same for the present academic session also, but aforesaid letter has not been taken into consideration at the time of regulation of fee by AFRC. It is also submitted that the present academic session i.e. 2025-26 is scheduled to be over by April-May, 2026. Therefore, fee, as calculated by the AFRC may be affirmed with the direction to consider aforesaid recommendation of AICTE and Public Notice of UGC at the time of regulation of fee for further academic session of the course.

3. On the other hand, the respondent supported the impugned order and prayed for rejection of the appeal.
4. The Chartered Accountant of the respondent is also present with its calculation sheet and submits that as per its calculation fee comes up to Rs. 50,800/- per student per year.
5. I have heard both the parties. Perused the record.
6. After considering the aforesaid facts and circumstances and submission of the parties and on perusal of impugned order, it is apparent that fee is regulated at Rs. 50,000/- per student per year, which is less than the calculation done by the Chartered Accountant of AFRC. It has not been mentioned in the impugned order that why calculation of Chartered Accountant has been adopted. Therefore, in view of this Authority, as fee calculated by Chartered Accountant of AFRC is proper, the respondent is failed to explain, why the calculation done by its Chartered Accountant has not been adopted. Therefore, in view of this Authority, fee regulated by AFRC for academic session 2025-26 for B.B.A. course is enhanced from ₹ 25,000/- per student per semester to ₹ 25,400/- per student per semester. Other charges fixed by AFRC shall remain same. The AFRC is also directed to regulate the fee further, after considering the recommendations of AICTE, Public Notice of UCG and other relevant documents filed by the appellant. The opportunity of hearing also be granted by the respondent to the appellant before regulating fee.

This appeal stands disposed of accordingly.
